Reviewing Agency Comments are for general conformance with the contract documents and do not relieve the Contractor of responsibility for errors, omissions, or conflicts with the contract documents. Contractor is responsible for all dimensions, quantities, and coordination between trades. Contractor is responsible for means and methods of construction, including safety precautions and procedures. Review of shop drawings does not constitute approval of deviations from the contract documents unless specifically noted and approved by the Owner.

RESUBMIT - NOT PROCEED

Review of this plan does not relieve the Contractor of responsibility for errors or omissions in the plans, nor does it imply that the Engineer has assumed responsibility for the correctness of the plans. The Contractor is responsible for all dimensions, quantities, and for coordination of work with other trades. The Contractor is responsible for means and methods of construction, safety precautions and programs in connection with the work, and for the safety of persons and property.

RESUBMIT FOR REVIEW

Review of these plans by the Macomb County Department of Public Works and Drains does not relieve the owner, his agent, or the engineer of any responsibility for the correctness of the plans. The owner, his agent, or the engineer is responsible for the correctness of the plans and for the satisfactory performance of the work. Approval of these plans does not constitute a waiver of any requirements of the Macomb County Department of Public Works and Drains.
