

"Who should we talk with? Where should we go?"

Innovate Mound Community Outreach

The Innovate Mound project team is seeking input from the community during the design phase of the project. We are planning to attend community meetings and events and will be hosting **Innovate Mound 101**, the first public open house on **Tuesday, February 25, 2020.**

- Please list 3-5 meetings and events within the project area that we should attend along with contact names and information.
- Please also list the names and contact information of 3 -5 people and/or organizations that we should invite to **Innovate Mound 101**.
