Learn About the Project and Give Us Your Input

The Macomb County Department of Roads will completely reconstruct Mound Road from I-696 to M-59 beginning in summer of 2021. Innovate Mound 101 is your opportunity to learn about the design and construction plans now taking shape to transform this key roadway into a user-friendly, state-of-the-art technology corridor.

Come meet the Innovate Mound project team and share your input and ideas for improving Mound Road.
