

INNOVATE MOUND LANDSCAPING PROJECT

The Macomb County Department of Roads (MCDR) invites you to learn more about the [Innovate Mound](#) project's landscaping procurement. Join MCDR for a one-hour Zoom presentation to review the project scope, timeline and ask questions. The meeting is not mandatory. Slides and notes from Q&A during the meeting will be posted on the [project website](#) after the meeting.

10:00 a.m. Thursday, August 25th

INNOVATE MOUND **LANDSCAPING PROJECT**

PROJECT OVERVIEW

The project is located in the Cities of Warren and Sterling Heights, Macomb County. Innovate Mound is an initiative to rebuild Mound Road from 11 Mile Road north to M-59, widening from three to four lanes between 17 Mile Road and M-59. The goal of the project is to create a user-friendly, modern corridor that is safe for motorized vehicles, bikes, and pedestrians by incorporating state-of-the-art design and smart technology.

CMGC PROJECT SCOPE

The landscape design scope includes installing median landscaping and aesthetic treatment, followed by two years of watering, and cultivating for all landscaping installed. Design will be in accordance with the previously developed aesthetic guide for the project.

PROJECT BUDGET

\$2,500,000 estimated budget (includes pre-construction services)
